

St Nicholas' CE (VA) Primary School

PE & Sports Funding Grant 2021 to 2022

What is Sports Premium?

The Government announced additional funding of £150 million per annum to improve provision of physical education (PE) and sport in primary schools. This funding is provided jointly by the Departments for education, Health and Culture, Media and Sport. It is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Ofsted has strengthened its coverage of sport within the Inspectors' Handbook and supporting guidance, so that schools and inspectors are clear about how sport will be assessed in future as part of the overall provision offered by the school. Inspectors will consider:

“How well the school uses its Sports Premium to improve the quality and breadth of its PE and sporting provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of”

Specifically the Ofsted guidance for Inspectors states that Inspectors should consider the impact of the new primary school sport funding on pupils' lifestyles and physical wellbeing.

How much does our school receive?

For this academic year our school received £17,170

We also had a roll over from 2020/21 due to COVID totalling £12, 596

How is our PE and Sports Funding Grant spent?

The aim of the funding is to improve the quality and breadth of our PE and sporting provision and to meet these criteria we have identified a number of key priorities which include:

- Investing in continual professional development for our staff by engaging the services of a specialist coaching company so staff can observe good teaching practices in PE
- Ensuring the school meets its statutory curriculum requirement for children learning to swim 25metres.
- Increasing the competitive opportunities available to all pupils
- Increasing the breadth of sporting opportunities available to pupils
- Providing specialist equipment where necessary and renewing and enhancing existing equipment and storage facilities.

Initiative	Anticipated Outcome	Cost	Desired Result	Impact
Investing in CPD for staff	All teachers have access to the PE scheme that is purchased and CPD is delivered in how to use it. All teachers will feel confident when delivering PE lessons and therefore children will receive good/outstanding teaching.	£695	To enable to teachers to deepen their subject knowledge and to feel confident when teaching PE. For teachers to understand the skill progression not only throughout their year group but also the skills the children are learning before and after.	All teachers are using the scheme and feel confident when teaching PE. The children are able to articulate the skills they are learning, how they have progressed over the term and are able to say what they need to do to improve. The children are all enjoying their PE lessons and are developing their skills and confidence.
Swimming lessons for KS2 children – catch up	To enable school to fulfil statutory swimming obligation	£3595	To ensure all KS2 can swim 25 metres.	The percentage of children who could swim 25m increased with the extra support and lessons given to them from 66% to 87%. Children in KS2 who achieved the National Curriculum expectation of 25m – 87%
Create an environment that is accessible for children to take part in physical activity	To ensure children are given the opportunity to participate in physical education within school and outside of school by taking part in inter and intra school competitions	£9263	Children are kept safe whilst participating in physical activity. Children to have a wide variety of experiences using a range of sport equipment. Children have the opportunity to be active during lunch and break times with the assistance of play leaders. Children are provided with opportunities to compete against other school which have been organised by the SGO.	Children were able to participate in physical activity during play times and lunch times using sports equipment which is engaging and supporting the development of skills. Play leaders were trained in leading other children to engage in physical activity. PE lessons were delivered to a higher standard as the children were able to use sport equipment which enabled them to practise and develop their skills.
		Total spend: £13,553 Budget left: £16,213
