

Evidencing the impact of the Primary PE and sport premium

Website Reporting Tool Revised July 2021

Commissioned by

Department for Education

Created by

It is important that your grant is used effectively and based on school need. The <u>Education Inspection Framework</u> makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the <u>Quality of Education</u> Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

 $Please visit \underline{gov.uk} for the revised Df Eguidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. Df Een courages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium. \\$

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to <u>publish details</u> of how they spend this funding, including any <u>under-spend from</u> 2019/2020, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click <u>HERE</u>.

Created by:

Details with regard to funding Please complete the table below.

Total amount carried over from 2021/2022	£27,096
Total amount allocated for 2022/23	£17,199 + £27,096= £44,295
Total amount of funding for 2022/23. To be spent and reported on by 31st July 2023.	£44,295

Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety.

N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques ondry land which you can then transfer to the pool when school swimming restarts.

Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue evenif they do not fully meet the first two requirements of the NC programme of study

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	77%
N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2023. Please see note above	
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	77%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	77%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes <mark>/No</mark>

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2022/23	otal fund allocated: Date Updated:			
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: 48%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
To enable all children to participate in at least 30 minutes of physical activity daily during play times, school sports clubs and PE lessons.		£10,936.50	All pupils are active for 30 minutes a day with most children exceeding this. Children who were not participating in any clubs outside of school were identified and experienced a range of different activities which led to some of that particular group choosing to attend the after school sports club that was run through school. Play leaders reported that more children were joining in with activities at play times due to the new equipment provided for them enabling more children to be active for longer.	documents and deliver a programme of physical activity for them from September as part of the PE action plan. Set up sports ambassadors who can raise the profile of physical activity in school and encourage their peers to partake in physical activity on a daily basis.

	Create a new 'all weather' surface for the children to be more active in all areas of the school ground regardless of weather. This will enable the children to keep active for longer.	Intended spend: £10,288.80		
Key indicator 2: The profile of PESSPA	being raised across the school as a to	ool for whole sch	ool improvement	Percentage of total allocation:
				6%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
For sport and physical activity to be raised throughout school by providing the children with a range of activities throughout the curriculum not just in their PE lessons.	whole school curriculum days as part		of different activities which they hadn't tried before, resulting in	Continue with these days next year and provide the children with further opportunities for physical activities.

Key indicator 3: Increased confidence	Percentage of total allocation:			
				6%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
