

## St Nicholas School PTA Sponsored Readathon Bingo Challenge - World Book Day 2026!

### Reception / KS1

With **World Book Day** fast approaching on the **5th March 2026**, we are excited to invite all our children at St Nicholas School to take part in another fun and rewarding **Readathon Bingo Challenge**! We're raising funds this year to continue **transforming the book corners** in every classroom, bringing new books and a more inviting atmosphere to **encourage reading for all**.

This challenge ties in perfectly with the Christian Value of **Perseverance** and the Big Idea **Resourceful**. If your child is yet to choose their Resourceful Challenge that was communicated in the **newsletter of 23.01.26**, this could be a great idea for them.

#### Challenge:

Complete all of the reading challenges on the bingo card by reading part of a book, listening to an audiobook, comic, magazine or anything that sparks your interest! After each challenge, record the book title and mark off the corresponding square on the card below. You don't have to read a whole book for each square, and you can use the same book for more than one square (not all of them though!).

**Children who complete all 9 challenges will be entered into a prize draw to win a fantastic collection of books!**

#### How to Participate:

- Collect sponsorships using our JustGiving page (details on sponsorship form) or cash
- Hand in your completed bingo card and sponsorship forms to Ms Glover by **Friday 27th February**

Last year's challenge was a huge success, raising over £700, so we hope to see even more children and families getting involved this time around! Let's work together to enhance our classrooms with exciting new reading materials and give our children even more reasons to love reading!

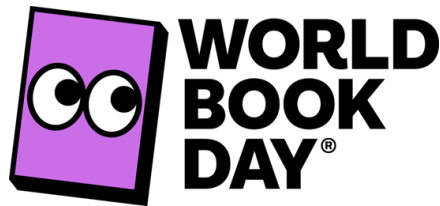

Sponsorship can be paid in cash and handed in to the office or through our just giving page – link and QR code below:
