

Maths

Y4

This term we will be practising for our multiplication tables check in June.

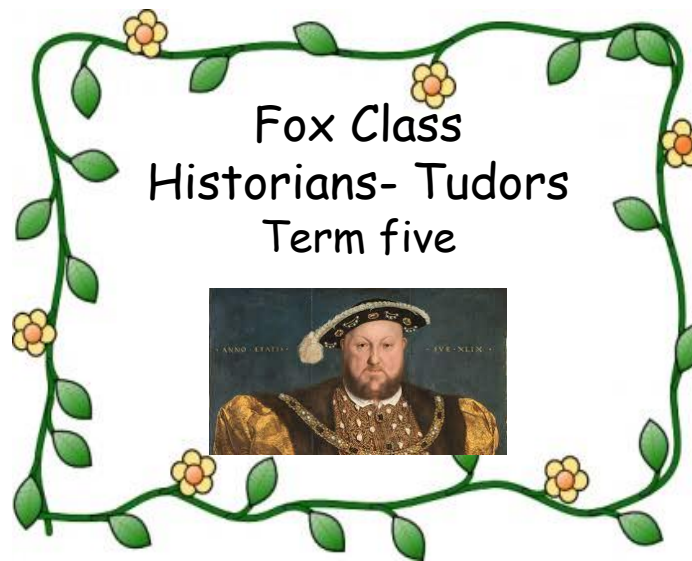

We will continue to learn about fractions working on converting improper fractions.

We will also be learning to use division with a remainder.

Y5

We will be multiplying fractions and adding fractions with different denominations.

We will also be learning to understand thousandths as decimals and to round decimals.

Fox Class Historians- Tudors Term five

English

Class text- Diver's Daughter by Patrice Lawrence

Fiction-

Character and dialogue using the text 'Adventure at Sandy Cove'. We will be writing detailed character description of the man and his dog. We will also be using inverted commas to accurately punctuate speech.

Non-Fiction-

Diary entry using the text 'Adventure at Sandy Cove'. Write diary entries for the characters in the story.

Art

We will be designing and creating our own Tudor shields and recreating portraits of Tudor Kings and Queens.

PSHE

Relationships

Y4

We will be thinking about how jealousy can affect relationships and how relationships change. We will also be thinking about how we show love and appreciation for others.

Y5

We will be thinking about the characteristics which build good relationships and exploring relationships formed with online communities.

Historians

Tudors - How did life change in Britain during the Tudor period?

This term we will be learning all about the Tudors. We will be researching who the Tudors were and when they lived. We will also be looking at traditional Tudor clothing, the food and drink available in Tudor Britain and crime and punishment. Finally, we will find out what a day in the life of a Tudor child would have been like.

Scientists

Science - States of Matter

We will be working towards identifying and explaining the properties of solid, liquids and gases. We will be observing how materials change state when they are heated or cooled. We will research temperature in degrees Celsius at which materials change state. We will also learn about the processes of evaporation and condensation.

RE

Islam - What does the Qur'an reveal about Allah and his guidance?

We will be enquiring into Muslim belief in the Qur'an as revelation. We will also research into Cave Hira - the place of the first revelation from Allah. Finally, we will look at Muslim community practice and living.

PE-

Outdoor - Tennis

We will be looking at how to move whilst catching the ball, working on our forehand, backhand and hitting a ball with accuracy.

Indoor - Kwik Cricket

We will be working on throwing and catching underarm and bowling overarm and hitting a ball with a bat and including these skills whilst playing a modified game.

Music

Melody and Harmony in Music

We will explore the difference between a melody and a harmony through singing and playing instruments.

Spanish - Eating Out

We will be recapping on the vocabulary for food and researching into traditional Spanish dishes. We will also be learning phrases to use when eating out.
