

St Nicholas PTA sponsored run

On the week beginning **23rd September 2024** our primary school children are embarking on a **sponsored run** to promote challenging physical activity and healthy living. Each class will run as many laps as they can, working together to encourage and support each other to run as far as they can and complete the challenge.

The funds raised will be used to support our new forest school provision, which will offer valuable hands-on learning experiences in nature, fostering creativity, confidence, and a connection to the environment.

On **Friday 27th September** you are invited to school at **2:45pm** to watch the medal presentation (refreshments will be available!) - every child who takes part will be awarded a medal, celebrating their determination and achievement.

Your sponsorship will not only help raise valuable fund for our forest school provision but help us cultivate a love for the outdoors and an active lifestyle in our students.

Thank you for your support!

Sponsorship can be paid in cash using the attached form, or using the link / QR code below...
