

Maths

Y4

Addition and subtraction -column method for addition and subtraction including regrouping and exchanging
Number and Place Value - working with numbers up to 10,000, multiples of 100, finding different compositions of a 4 digit number and ordering 4 digit numbers.

Number Facts - Review 2x, 5x, 10x, 4x and 8 x tables

Y5

Decimals - comparing and ordering decimals and using mental methods for decimal calculations.

Fractions - describing and representing tenths and hundredths as decimal fractions.

Solving problems with both decimals and fractions.

Fox Class Historians - Ancient Egypt Term 1

Art

Our focus this term is sculpture. Linking with our history topic we will be researching into Egyptian clay cartouches and making our own.

Historians

Ancient Egypt

We will be placing the era of Ancient Egypt on a timeline in relation to other relevant times in history.

We will be learning about the significance of the discovery of Tutankhamun's tomb and looking closely to see what clues artefacts can give us. We will also learn about the mummification process and test out our own mummification!

PSHE

Being Me in My World

Creating a class charter, being calm, getting to know each other, feeling included and excluded, group roles, understanding democracy and recognising our own contribution to St Nicholas.

RE

Christianity - Creation/Fall.

We will be thinking deeply about the key question of 'What do Christians learn from the creation story?'

We will read the story of Adam and Eve in Genesis and think about temptation in our lives today. We will also think about the message behind the parable of the prodigal son in the New Testament.

PE-

Football

We will be developing our dribbling skills and also a standing tackle and learning how to intercept a pass.

Gymnastics

We will be practising teddy bear rolls, bunny hops, t-roll, point and patch balance and an adapted cartwheel.

Computing

Online Safety - we will be learning about what cyberbullying, plagiarism and digital citizenship is. We will also be exploring ways of staying safe online.

Spanish

We will be learning to speak confidently about the weather, the seasons, holiday destinations and sports.

English

Class text- Egyptian Cinderella

Fiction-

Character description and narrative retelling based on the book 'Egyptian Cinderella'. We are focussing on the correct use of punctuation this term and also proof reading and editing for spelling and punctuation errors.

Non-Fiction-

Non-chronological report - we will be focusing on the use of headings and sub-headings and also organising our paragraphs around a theme.

Scientists

Properties/changing materials

Y4

We will be researching into the three states of matter (solid, liquid and gas) and comparing the properties of them.

Y5

We will be experimenting with different materials and what happens when we heat them. We will be learning about and researching insulators and conductors.
