

## Maths

### Y4

Understanding and manipulating multiplicative relationships - we will be learning about the language of factors and the impact of zero on numbers. We will also be starting to look at the effect of multiplying and dividing numbers by 10.

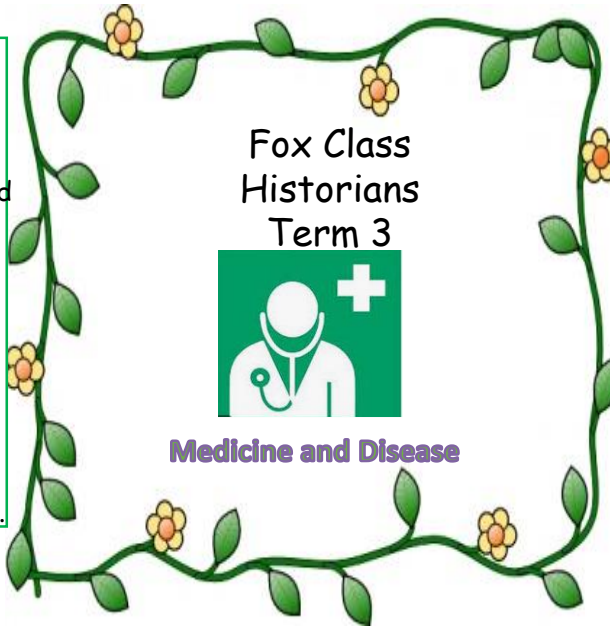

7 times table - we will be counting in sevens and learning our 7 times table. We will then use our 7 times tables to be able to solve different types of problems

Number Facts - 7,9 and 11 times tables

### Y5

Multiplication and division - we will be multiplying 3 and 2 digit numbers by a single digit using efficient methods and also dividing 3 and 2 digit numbers by a single digit.

Number - prime and composite numbers, negative numbers and multiples.

## English

Class text- The Last Bear

### Fiction

We will be writing descriptive paragraphs leading onto action based on the book 'The Last Bear'. We are focusing on the use of dialogue and relative clauses this term.

### Non-Fiction

We will be writing a diary based on our class text.

### Poetry

We will be reading and writing poems which use metaphors for description.

## Art

We will be learning about the work of Seurat and the painting technique of Pointillism.

## PSHE - Dreams and Goals

### Y4 - How can I be more resilient

We will be thinking about our hopes and dreams for the future. We will be reflecting on what steps we need to take to achieve our dreams and what to do when we experience disappointment.

### Y5 - Realistic dreams and goals

We will be thinking about realistic goals. We will be thinking about what job we would like to do in the future and exploring the steps needed to achieve that goal.

## History

How have attitudes and beliefs about medicine and disease have changed over time?

We will be learning about the progress in medical knowledge over the years. We will be making links to our previous learning about the Stone Age, Ancient Romans, Ancient Greeks and Ancient Egyptians.

## PE-

**Fitness** - we will be improving our fitness this term and attempting to beat our personal bests in a range fitness tests.

**Netball** - we will be learning the skills of netball including the different types of passing and how to move with the ball. We will be playing some mini games.

## RE- Hinduism

We will be exploring the question: Why does a Hindu want to collect good karma?

## Scientists

### Y4

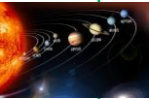

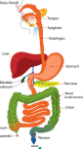

Alive - Structure and function

We will be identifying the structure and function of different parts of the digestive system, including our teeth.

### Y5

Forces: contact & non-contact

We will be exploring the movement of the moon, the earth and other planets relative to the sun in our solar system.

## Music

Combining Elements to Make Music - How does music connect us with our past?
