

## Maths

Y4

Understanding and manipulating multiplicative relationships - we will be multiplying and dividing whole numbers by 100.

Fractions - we will be revising our fraction knowledge of equal and unequal parts. We will also be learning about mixed numbers and ordering them on a number line.

Number Facts - 8x, 9x times tables

Y5

Fractions - we will be multiplying a proper and improper fraction with a whole number and a mixed number with a proper fraction.

We will also be using our knowledge of multiplying a whole number by a unit fraction to solve problems and finding non-unit fractions of a quantity.

## Fox Class Geographers Term 4

## Design and Technology

We will be researching different types of water wheels, then using this knowledge to design and make our own.

## PSHE

Healthy Me - We will look at peer pressure and how to recognise when people put us under pressure. We will then look at ways that we can resist peer pressure. We will also look at identifying feelings of anxiety and fear associated with peer pressure. (Year 4)

We will be exploring the different roles food and substances can play in people's lives. We will also be given the opportunity to justify the potential health risks associated with pressures about body image, unhealthy relationships with food, smoking and alcohol misuse. (Year 5)

## RE- Christianity - Salvation

We will be thinking deeply about the key question of 'What did Jesus do to save human beings?'

We will be looking at the connections between Isaiah 53 and John 19, focusing on the key concepts of Messiah, Sacrifice and Salvation.

## Geographers

### River Nile

How have the uses of the river Nile changed over time?

We will be learning about the geography of the River Nile. We will learn about how the River Nile has changed particularly focusing on the Aswan High Dam and the city of Alexandria.

## PE-

### Quick sticks

We will be developing our dribbling skills and also passing over a longer distance and learning how to tackle safely.

### Yoga

We will be performing Yoga poses with control, core strength and flexibility. We will also be working on different breathing techniques.

## English

Class text- Barnaby Unboxed

### Fiction-

We will be writing a story and a narrative retelling based on the book 'Barnaby Unboxed'. We are focussing on using subordinate clauses, fronted adverbials and relative clauses in our writing this term.

### Non-Fiction-

Persuasive writing - we will be researching into different charities and then writing a persuasive letter to Mrs Hill to ask to raise money for our chosen charity.

## Scientists

### Biology

Y4

We will be exploring and using classification keys to help group, identify and name a variety of living things in our local and wider environment.

Y5

We will be describing how human structure and function changes as they age.

## Computing

Animation - We will be using animation to create a flip book, animate a character and use stop motion.

## Spanish

The Wider World - We will be learning the Spanish for places around the world including continents, countries and different animals from around the world. We will also learn how to give directions in Spanish
