

Maths

Y4

Fractions - converting between mixed numbers and improper fractions, adding and subtracting mixed numbers and using the language of improper and mixed fractions.

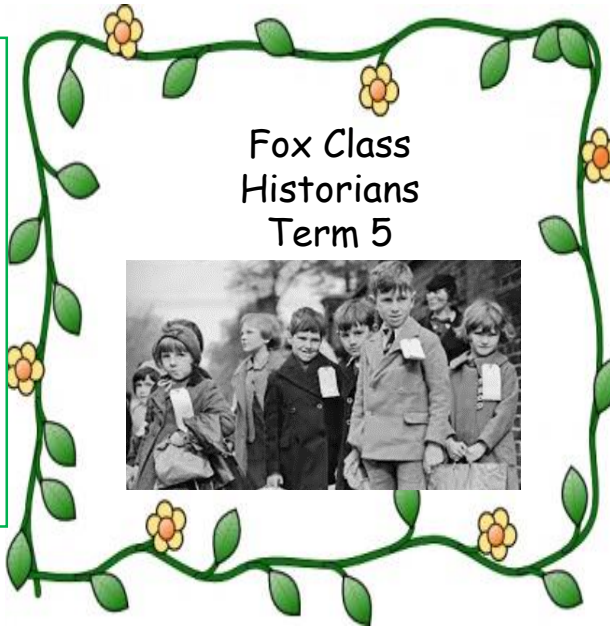

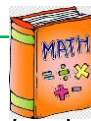

Division with remainders - understanding that some answers will give a remainder and some will not, building on our division strategies and solving problems where some of the answers give remainders.

Number facts - all of the times tables

Y5

Fractions - finding equivalent fractions and simplifying them, adding and subtracting fractions and multiplying and dividing fractions by a whole number.

Percentages - converting percentages to decimals and fractions.

Fox Class Historians Term 5

Art

We will be developing our sketching skills resulting in us using our skills to sketch a Spitfire.

PSHE - Relationships

We will be exploring the feelings of jealousy and love. We will then look at memories of people who are no longer with us and how our friendships can change and develop over time. We will look at what having a boyfriend or girlfriend might mean. Lastly, we will celebrate our relationships with both people and animals. (Year 4)

We will learn about ways to build our self-esteem as well as looking more closely at how we can stay safe in online communities. (Year 5)

RE- Islam

We will be thinking deeply about the key question of 'Why do Muslims call Muhammad 'the Seal of the Prophets?'

We will be looking into the life of the prophet Muhammad, how Muslims today celebrate his birthday and also exploring the inside of a mosque.

Historians

World War II. What were the effects of war on everyday people?

We will use our learning, research and historical sources to explain the impact of WW2 on everyday people. We will explain how WW2 began and explain what life was like in Britain during the war. We will also investigate why children were evacuated.

PE-

Tennis - We will be learning how to strike the ball with a racquet and how to serve.

Mini Muay Thai - We will be completing different sequences using Muay Thai moves.

English

Class text- The Lion and the Unicorn

Fiction-

We will be writing a setting and character description based on the book 'The Lion and the Unicorn'. We are focussing on using apostrophes for plurals and multi-clause sentences in our writing this term.

Non-Fiction-

Explanation text - we will be writing an explanation text linked with our History topic of World War II.

Scientists

Biology

Y4

We will be exploring and researching into different food chains and also the environmental factors and human factors which can affect them.

Y5

We will be describing and comparing the process of sexual reproduction in some animals.

Computing

Scratch Quizzes

We will be creating our own Scratch quizzes to test out our school knowledge.

Spanish

My Routine.

We will be learning about the time in Spanish including how to tell the time using o'clock, half past, quarter to and quarter past. We will also learn about how to discuss what we did on a typical day.
